

ICONE 32 paper submission Extension Notification

The 32nd International Nuclear Engineering Conference (ICONE 32) will be held in Weihai, Shandong from June 22 to 26, 2025.

The conference was co-sponsored by the Chinese Nuclear Society, the American Society of Mechanical Engineers and the Japan Society of Mechanical Engineers.

The number of abstracts submitted to ICONE 32 broke the record in the past ICONE conference. Now it is in the stage of draft full paper submission and review. Authors will need more time to get the papers done or complete the company internal review, and the task for ICONE32 reviewers is heavy too.

Given this, the initial schedule of paper submission and review are adjusted.

I. Draft full paper submission has been extended from January 10, 2025 to February 10, 2025.

II. Draft full paper acceptance notification has been extended from February 11, 2025 to February 28, 2025.

III. Presentation-only abstract submission is closed from now on.

Please note that:

1) The proceedings of the conference will be published by Springer Nature and indexed by EI.

2) Each Technical Publication and Technical Presentation, a

minimum of one author must be registered at the Full Conference Author rate before April 20, 2025.

3) One author registration fee can cover up to a maximum of two (2) technical papers or presentation only submissions.

4) An author registering at the author rate with more than two (2) technical papers or presentation only submissions to present at the conference, must request a co - author to register.

5) website, <http://icone32.ns.org.cn/>, to get more information about registration fees. Conference registration will open in the near future.
