Student Awards

1. Akiyama Medal

Best Student Award in ICONE Student Competition

At every ICONE conference, the Akiyama Medal is presented to the best paper award winner from the student paper competition of ASME, CNS, and JSME. The award was established in memory of Prof. Mamoru Akiyama (1935–2009). Prof. Akiyama was a professor emeritus at the Department of Nuclear Engineering at the University of Tokyo, and he was one of the founding members of the ICONE conference.

2. Student Awards

Five “Best Paper” and five “Best Poster” awards in each of the following regions will be presented during this session: North America, Japan/Asia, China, and Europe.

Follow the practice of ICONE 21 in Chengdu, when ICONE held in China, the Best paper and Best poster Awards are named after Qian Sanqiang, who is one of the founders of Chinese atomic energy science.
